

Architect| SELCO Foundation

Position: Program Coordinator, Built Environment(full time, 6 months' probation period)

Location: Bangalore

Reports to: Program Manager, SELCO Foundation

Application Process: OnRolling Basis

Starting date: Immediately

About SELCO Foundation:

SELCO Foundation is an open source, not for profit organization that engages in field-based R&D and ecosystem building for deployment of clean energy solutions that alleviate poverty in tribal, rural and urban poor areas. SELCO has pioneered the delivery of decentralized energy to the poor in India by not only providing access to affordable and clean energy but also ensuring the consumption of energy is efficient and appropriate. The Built Environment team works across sectors of Housing, Health and Livelihood. The focus of interventions being exploring energy efficiency, wellbeing and productivity through built design and innovation. The team comprises practitioners in design, research, architecture, civil and structural engineering.

Job Description:

We are seeking a motivated individual who is passionate about working on exploring the role of the built environment in inclusive development. The ideal candidate should have strong design and technical skills. She/he must be able to work in teams, while being able to collaborate with key stakeholders (communities and other organizations). The projects require an approach which challenges the set paradigms to come up with end to end solutions- employing resourcefulness in project design, development of project details, on-site implementation with the ability to monitor and troubleshoot as required.

Key requirements

- A Bachelor's degree in Architecture
- Minimum 4 years professional experience in executing projects end to end
- Interest and ability to engage with communities on ground
- Strong design and technical skills
- Willingness to travel
- Skills- CAD Software, Google Sketchup or any equivalent 3D Software, Photoshop and/or InDesign

Remuneration: Depends on qualification and experience.

Please send a copy of your CV with a cover letter explaining why you are interested in this role along with a portfolio of your design skills to apply@selcofoundation.org with 'Re: Application for 'Architect' as a subject line.
